

PRIVACY IMPACT ASSESSMENT (PIA)

For the

Military Vaccine Agency (MILVAX) Immunization Information and Training Portal

US Army Medical Command - Defense Health Program (DHP) Funded Applications

SECTION 1: IS A PIA REQUIRED?

a. Will this Department of Defense (DoD) information system or electronic collection of information (referred to as an "electronic collection" for the purpose of this form) collect, maintain, use, and/or disseminate PII about members of the public, Federal personnel, contractors or foreign nationals employed at U.S. military facilities internationally? Choose one option from the choices below. (Choose (3) for foreign nationals).

- (1) Yes, from members of the general public.
- (2) Yes, from Federal personnel* and/or Federal contractors.
- (3) Yes, from both members of the general public and Federal personnel and/or Federal contractors.
- (4) No

* "Federal personnel" are referred to in the DoD IT Portfolio Repository (DITPR) as "Federal employees."

b. If "No," ensure that DITPR or the authoritative database that updates DITPR is annotated for the reason(s) why a PIA is not required. If the DoD information system or electronic collection is not in DITPR, ensure that the reason(s) are recorded in appropriate documentation.

c. If "Yes," then a PIA is required. Proceed to Section 2.

SECTION 2: PIA SUMMARY INFORMATION

a. Why is this PIA being created or updated? Choose one:

- New DoD Information System
- Existing DoD Information System
- Significantly Modified DoD Information System
- New Electronic Collection
- Existing Electronic Collection

b. Is this DoD information system registered in the DITPR or the DoD Secret Internet Protocol Router Network (SIPRNET) IT Registry?

- Yes, DITPR Enter DITPR System Identification Number
- Yes, SIPRNET Enter SIPRNET Identification Number
- No

c. Does this DoD information system have an IT investment Unique Project Identifier (UPI), required by section 53 of Office of Management and Budget (OMB) Circular A-11?

- Yes
- No

If "Yes," enter UPI

If unsure, consult the Component IT Budget Point of Contact to obtain the UPI.

d. Does this DoD information system or electronic collection require a Privacy Act System of Records Notice (SORN)?

A Privacy Act SORN is required if the information system or electronic collection contains information about U.S. citizens or lawful permanent U.S. residents that is retrieved by name or other unique identifier. PIA and Privacy Act SORN information should be consistent.

- Yes
- No

If "Yes," enter Privacy Act SORN Identifier

DoD Component-assigned designator, not the Federal Register number.
Consult the Component Privacy Office for additional information or
access DoD Privacy Act SORNs at: <http://www.defenselink.mil/privacy/notices/>

or

Date of submission for approval to Defense Privacy Office

Consult the Component Privacy Office for this date.

e. Does this DoD information system or electronic collection have an OMB Control Number?
Contact the Component Information Management Control Officer or DoD Clearance Officer for this information.

This number indicates OMB approval to collect data from 10 or more members of the public in a 12-month period regardless of form or format.

Yes

Enter OMB Control Number

Enter Expiration Date

No

f. Authority to collect information. A Federal law, Executive Order of the President (EO), or other requirement must authorize the collection and maintenance of a system of records.

(1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be the same.

(2) Cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply.)

(a) Whenever possible, cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.

(b) If a specific statute or EO does not exist, determine if an indirect statutory authority can be cited. An indirect authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.

(c) DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component should be identified.

10 U.S.C. 3013, Secretary of the Army; 5 U.S.C. 7902, Safety Programs; 29 U.S.C. 668, Programs of Federal Agencies; 29 CFR 1910, Occupational Safety and Health Standards; Army Regulation 47-1, Preventive Medicine; E.O. 12223, Occupational Safety Health Programs for Federal Employees; E.O. 9397 (SSN).

g. Summary of DoD information system or electronic collection. Answers to these questions should be consistent with security guidelines for release of information to the public.

(1) Describe the purpose of this DoD information system or electronic collection and briefly describe the types of personal information about individuals collected in the system.

The Military Vaccine Agency (MILVAX) Immunization Information and Training Portal supports creation of online immunization training across multiple immunization programs worldwide. This portal is made up of several disease specific websites (e.g., Anthrax, Smallpox, etc.) and a distance learning management system - the Immunization University (ImzU). The training is targeted to educating vaccinees and enhancing the skills of healthcare workers from a variety of professional and paraprofessional backgrounds. Individuals can view the ImzU courses online anonymously or take a course for credit. Individuals who desire to take a course for credit must register for an ImzU account.

The types of personal information collected for account registration include: name, telephone number, mailing address, e-mail address, military records, and employment information.

(2) Briefly describe the privacy risks associated with the PII collected and how these risks are addressed to safeguard privacy.

The privacy risks associated with the PII collected include unauthorized access, inaccurate information in the application, and the unauthorized disclosure of PII. There are security measures in place to mitigate these risks.

h. With whom will the PII be shared through data exchange, both within your DoD Component and outside your Component (e.g., other DoD Components, Federal Agencies)? Indicate all that apply.

Within the DoD Component.

Specify.

Other DoD Components.

Specify.

Other Federal Agencies.

Specify.

State and Local Agencies.

Specify.

Contractor (Enter name and describe the language in the contract that safeguards PII)

Specify.

Other (e.g., commercial providers, colleges).

Specify.

i. Do individuals have the opportunity to object to the collection of their PII?

Yes

No

(1) If "Yes," describe method by which individuals can object to the collection of PII.

Individuals are provided a Privacy Advisory and Privacy Act Statement when they register for an ImzU account. Although the disclosure of PII is voluntary, failure to provide the requested PII will result in denial of an ImzU account.

(2) If "No," state the reason why individuals cannot object.

j. Do individuals have the opportunity to consent to the specific uses of their PII?

Yes

No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

Individuals are provided a Privacy Advisory and a Privacy Act Statement when they register for an ImzU account. Although the disclosure of PII is voluntary, failure to consent to the specific uses of their PII will result in denial of an ImzU account.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

k. What information is provided to an individual when asked to provide PII data? Indicate all that apply.

Privacy Act Statement

Privacy Advisory

Other

None

Describe each applicable format.

Privacy Advisory

The following information is protected by the Privacy Act of 1974 (P.L. 93-579) and requests will not be given certain information in connection with the request for information solicited without your consent. In accordance with the requirements of the Privacy Act of 1974, please be advised that (i) the authority for the collection of this data is 10 U.S.C. 3013, (ii) furnishing of the information solicited is voluntary, and (iii) the principal purpose for which the data will be used is to maintain current information relating to your benefits eligibility. If you do not furnish the requested information, you will not be eligible for education benefits, incentives, etc.

Privacy Act Statement

Authority: 10 U.S.C. 3013, Secretary of the Army; 10 U.S.C. Chapter 55, Medical and Dental Care; Army Regulation 40-66, Medical Record Administration and Health Care Documentation; Army Regulation 40-68, Clinical Quality Management, Army Regulation 40-5, Preventive Medicine, and E.O. 9397 (SSN).

Principal Purpose: The MILVAX Immunization Information and Training Portal includes an on-line distance Learning Management System targeted to educating vaccinees and health care providers as well as supporting online and live immunization training worldwide. Information is used in identification, authentication, and in tracking MILVAX training transcripts.

Routine Uses: In addition to those disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act, these records or information contained therein may specifically be disclosed outside the DoD as a routine use pursuant to 5 U.S.C. 552a(b)(3) as follows: In specific instances, clinical privileged information from this system of records may be provided to civilian and military medical facilities, Federation of State Medical Boards of the United States, State Licensure Authorities and other appropriate professional regulating bodies for use in assuring high quality health care. 'Blanket Routine Uses' set forth at the beginning of the Army's compilation of systems of records notices also apply to this system. This system of records contains individually identifiable health information. The DoD Health Information Privacy Regulation (DoD 6025.18-R) issued pursuant to the Health Insurance Portability and Accountability Act of 1996, applies to most such health information. DoD 6025.18-R may place additional procedural requirements on the uses and disclosures of such information beyond those found in the Privacy Act of 1974 or mentioned in this system of records notice.

Disclosure: Voluntary. However, failure to provide the requested information will result in denial of access, application submission, or benefits delivery.

NOTE:

Sections 1 and 2 above are to be posted to the Component's Web site. Posting of these Sections indicates that the PIA has been reviewed to ensure that appropriate safeguards are in place to protect privacy.

A Component may restrict the publication of Sections 1 and/or 2 if they contain information that would reveal sensitive information or raise security concerns.
